

Zepplin

Zepplin is about to take off!
With superior internals and dark, sweet red flesh, you'll be flying high with Zepplin.

Type

Watermelon, Large round seedless.
Dark red, sweet firm flesh.

Average Fruit Size

8.5 kg+

Disease Profile

IR	Co:1/Fon:1
----	------------

Features

- // Fast maturing variety
- // Beautiful dark red flesh
- // Very strong plant vigour
- // Small pip size and seed pockets

Advantages

- // High yield and reduced growing time for better return on investment
- // Visually appealing fruit suitable for 'cut and wrap' market
- // Wide sowing window and sowing adaptability
- // Suitable for growing in a wide range of conditions

Grow Zepplin if you're looking for

- // Higher profitability compared to other watermelons
- // A watermelon that can be grown throughout production cycle
- // A flexible hybrid that can be planted in a range of climates and timeslots freight costs

Agronomics and Cropping Tips

Environment

- // Suited to all production areas.

Season

- // Year round

Specific advice

- // Ensure vine health is maintained to reduce external fruit quality defects (sunburn). Dark skin watermelons absorb more heat than striped rind patterns, resulting in burnt skin and water-soaked flesh patterns.
